The PROCESS of DIALOGIC READING

1 **Introduce** the book to build interest.

2 Make reading more interactive with the **PEER** sequence:

Prompt ("What color is this cat?")
Evaluate ("That's right, it's black!")
Expand ("It's a black, soft cat.")
Repeat ("Can you say 'black, soft cat?'")

3 Types of questions using **CROWD** prompts:

Completion ("When cats talk, they say _____.")
Recall ("Remember the cat on the last page?")
Open-Ended questions ("Share your thoughts on that.")
Wh- Questions ("Where does this cat live?")
Distancing ("Does this cat remind you of _____?")

4 **Discuss** the book after reading to maintain interest—and build interest in the next book!
