

World Cup Word Puzzle

Instructions: Cut out the soccer-themed words and match them with the definitions.

Soccer, known as **football** in most parts of the world, became an organized sport in England in 1863 and spread to North America in the late 1800s. Today it is the world's most popular sport, and the **World Cup** brings countries together to compete for the championship.

American English vs. British English

Soccer	Football
Cleats	Football Boots
Field	Pitch
Uniform	Kit
Tie	Draw
