

**FALL**

FILL IN THE BLANKS

## An **Unbe-LEAF-able** Tale

\_\_\_\_\_ and I were raking leaves in my backyard. My mom had promised  
(friend's name)  
us \_\_\_\_\_ when we were done! We got right to work, but something was odd...  
(favorite treat)  
The leaves were not red and orange, they were \_\_\_\_\_ and \_\_\_\_\_.  
(unusual color) (unusual color)

As we raked the leaves, they began to \_\_\_\_\_. At the sight of this, \_\_\_\_\_  
(an action) (friend's name)  
shouted, " \_\_\_\_\_ !"  
(silly word)

The leaves responded by forming into a giant \_\_\_\_\_. We began to \_\_\_\_\_  
(animal) (an action)  
around the yard. The leaves chased after us.

Suddenly, the leaves stopped and formed a giant pile. We ran full speed and leapt into the air!  
And, with a \_\_\_\_\_ we dove into the pile.  
(noise)

When we finally emerged, the leaves were no longer unusual colors. They turned back into  
\_\_\_\_\_ and \_\_\_\_\_. Mom stood there just looking at us covered in  
(usual color) (usual color)  
leaves and \_\_\_\_\_. It was clear she had not seen what just happened. She said,  
(an action)  
"You two are silly!", then handed us \_\_\_\_\_ and went back inside.
