INSTRUCTIONS

- Carefully cut out the **inside** of the **Dino-Story Theater** frame. A craft knife is recommended for a precise cut.
- Cut out the dinosaurs along the dashed lines.
- Tape each dinosaur to a popsicle stick.
- Cut two small slits below the frame.
- Insert the popsicle sticks into the slits.
- Fold the paper in half on the black line and trim the top along the dashed line.
- Tape the edges together to create your theater.
- Now slide the dinosaurs up and down to put on a **dino-mite** show!
