Friendship makes life more fun, but knowing how to be a good friend takes practice! In the folk story ***Stone Soup***, everyone adds something to the pot to make a delicious soup. Just like each ingredient makes the soup better, each of us brings our own ideas, talents and stories to a friendship. We can be good friends by being kind, taking turns, listening and including others.

Friendship Soup

What makes a good friend? Fill the vegetables with the qualities you think are important.
