

# Picture Frame Ornament

A

## Instructions:

1. Print on heavyweight cardstock.
2. Cut along the outer edges of pieces A and B.
3. Draw a picture in the center of the picture frame A or cut out and attach a photo behind it.
4. Fold the two sides of piece A together along the gray line and glue one end of a piece of yarn or string inside the folded frame (hot glue works well), then glue shut.
5. Lace the other end of the yarn through the two small holes on piece B then glue or tape the yarn on the back to secure the picture frame in place.
6. Make a loop at the end of the yarn and hang it up!
