

TORTOISE CORNER BOOKMARK

- Color the pieces (avoiding **GLUE** boxes), then cut them out along the outer edges.
- Fold back corner **A** so it meets corner **B**.
- Turn the piece over. Fold up corners **C** and **D** so they meet corner **B**, then crease.
- Unfold the **C** and **D** flaps.
- Fold corner **B** down to meet the folded edge and crease.
- Fold corners **C** and **D** back up and tuck them into the pocket to form the shell. Crease well.
- Cut off corners **A** and **E** along the dashed lines to round the shell.
- Fold the tortoise's head along the gray line and glue the flap inside the shell.
- Glue the legs on either side of the head.
