HOW TO PLAY

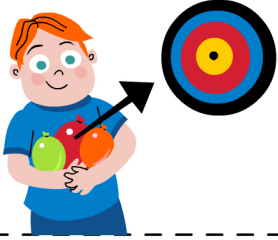

1. Cut out all letter and action cards.
2. Lay all cards face down in a grid, keeping letter cards and action cards separate.
3. Take turns flipping over one letter and one action card.
4. If they match (like "M" and "Mix"), keep the pair and do the action!
5. If it's not a match, flip the cards back and try to remember where they are.
6. Keep playing until all matches are found. The player with the most pairs at the end wins—but everyone wins by learning new ways to have fun off-screen!
