

# Hop, Leap, and Learn

Can you guess if it is a rabbit or a frog? Circle the correct animal.

1 Are there more species of rabbits or frogs?

2 Between the largest frog and the largest rabbit, which one weighs the most?

3 Who do you think could jump the highest in a contest?

4 Which animal lives in an underground group of burrows called a warren?

5 Who would win in a race?

6 Which critter lays eggs?

7 Who's got the magical power to breathe through their skin?

8 Which is a plant eating herbivore?

9 During the cold winter months, which animal hibernates?

10 Which animal do you think lives in more diverse habitats?
