

PUT READING ALOUD AT THE TOP OF YOUR SUMMER BUCKET LIST

What's on your summer bucket list? The beach? A fishing trip? Camping? The pool? A lengthy road trip?

How about Hogwarts? Narnia? Or 20,000 Leagues Under the Sea?

Take your little one to the fire station, explore the times of knights or samurai, become a fairy princess or meet Margaret Mead...

It's all possible in the pages of a book.

How many adventures can you have this summer? Well... How many books can you read aloud together?

- Don't let summer erase the gains made in school.
- Enrich little ones' summer with the adventures only books can provide.

**Make memories, and build brains and vocabulary
with daily reading aloud.**
